GOVERNMENT AFFILIATION DISCLOSURE

Title:Government Affiliation & State Relationship Disclosure

The Company hereby confirms that neither it nor any entity within the Seagull group has any ownership, control, or beneficial interest held by a national government, state authority, sovereign wealth fund, or political organisation.

The Company does not maintain any contractual, financial, or structural affiliation with any government entity, other than routine regulatory interactions required for lawful operation (including licensing, flag-state notifications, port state compliance, customs, or naval coordination where legally mandated).

Such regulatory or operational interactions do **not** constitute government ownership, control, influence, or political affiliation.
The Company further confirms that no government entity exercises any decision-making authority, veto rights, or controlling influence over the Company's management, operations, or commercial activities.
