LEGAL FUNCTION & GOVERNANCE STATEMENT

Title:Legal Governance & Access to Legal Advice

Seagull maintains an internal legal function responsible for oversight of corporate governance, contractual arrangements, regulatory compliance, dispute management, and operational legal risk.

The legal function provides ongoing and immediate legal support in relation to:

- Client and supplier contracts
- PCASP and SEV operations
- Security incidents and claims
- Regulatory and compliance matters

Where required, Seagull engages external specialist maritime and security legal advisors to support jurisdiction-specific or complex matters.

Legal oversight forms an integral part of operational decision-making and incident response.
