	• Corse Practical Tests: Bridge Equipment Handling, Weapon Handling, Physical Test for PCASPs and Piracy Related Incidents	-	2.0	2.0
	Total hours:	**19.5**	**7.5**	**27**

3. COURSE TIMETABLE

As per the timetable that will be sent by Training Manager.

4. EVALUATION

The knowledge of the candidates in the All the subjects of the course (theoretical and practical) will be tested.

4.1 Tests Requirements

The following are the minimum result that the candidates will need to get in the course tests in order to successfully complete the course.

4.1.1 Theoretical Tests:

More than 80% correct answers.

4.1.2 Practical Tests:

According to evaluation of instructor

4.1.3 Fitness Tests:

- 10:00 min or less for 2 km running;
- 8 or more pull-ups;
- 60 or more push-ups;
- 80 or more Sit-ups

5. STAFF REQUIRMENTS

MSO instructor
