Additional Conditions

This approval is made on the understanding that none of the goods referred to in this application are to be re-sold, nor donated or loaned to any other entity and that you are to retain ownership at all times.

- The goods must remain under your or your designated (NAMED) in country representative(s) or the designated national security organisation(s) at the at all times, whether in use, in transit or in secure storage and the equipment(s) must be protected against unauthorised re-transfers, loss, theft or diversion.

- In the event that you are required to / or wish to dispose of the goods referred to in this application to a 3rd party (as yet unidentified) then a SITCL or OITCL must be raised.

- You are to maintain a registry of the weapons referred to in this application in order to enable future audit by licensing advisors

Authorisation

The Secretary of State authorises the person named in box 1 of this licence ("the licensee") to carry out "the activities" during the period ending with the date shown in box 3, subject to the conditions set out below.

In this licence, "the activities" means those activities specified in this licence or, if none, in relation to the removal of the goods specified in this licence from Vessel, Platform in International Waters to the end user specified in box 10, the activities described in article 23(1) of the Export Control Order 2008.

This licence is to facilitate a Transfer of Ownership from Shield International Security Ltd to MNG Maritime Ltd, who also operate the MNG Pembroke in exchange for debt.

Conditions

1. Nothing in this licence shall be taken to authorise any activity outside the United Kingdom which is prohibited by the law of any of the territories where that activity is to be carried out, or any exportation of any goods from the United Kingdom.

2. The licensee must maintain the following records:

a. A description of the goods in relation to which the activities have been carried out ("the goods");

b. The date or period of time over which the activities have been carried out;

c. The quantity of the goods;

d. The names and addresses of the supplier(s) of the goods;

e. The names and addresses of the end-user of the goods;

f. Such further information as may be specified by the Secretary of State from time to time.

3. The licensee must keep the records for at least 4 years from the end of the calendar year in which the activities concluded and permit it to be inspected and copied by any person authorised by the Secretary of State or the Commissioners.

<u>Standard conditions</u>

1.This licence shall not affect a prohibition or restriction in any legislation other than the legislation under which this licence was issued.

2. This licence is not transferable

3. This licence may be modified or revoked at any time by the Secretary of State.

4. This licence is valid when printed only if signed and stamped by an official of the Department for International Trade.

<u>General Notes</u>

Details of any change to export control legislation can be found at www.gov.uk/uk-strategic-export-control-lists-the consolidated-list-of-strategic-military-and-dual-use-items.
