10. RECOMMENDATIONS

<ENTER ANY RECOMMENDATIONS FOR THIS VESSEL AND CREW FOR ANY FUTURE TRANSIT OF HIGH-RISK AREAS HERE>

From the beginning to end of the transit on board MT JIA YUE had been so professional, assertive and safety Conscious while being so welcoming to the security team. The crew here has all demonstrated with crew briefs and drills they are very well trained have great support for each other and have a great MASTER and all senior officers on board leading with exceptional professionalism. The Master here has been so welcoming, open minded, open door policy, respectful, professional and has the crew's safety at heart, this in turn shows through the crew as the crew are fantastic, professional and always smiling. This has been a fantastic ship to work on, and from the MASTER down the crew has been amazing.

11. TRANSIT SUMMARY

<PROVIDE A SHORT SUMMARY REGARDING THE PASSAGE IN BULLET POINTS>

- ✓ The transit was incident free. The team integrated easily with the crew of the M/V JIA YUE and all performed their very well.
- ✓ The Captain and the crew were extremely kind and helpful during our stay on board. The Captain and the crew were extremely kind and helpful during our stay on board.
- ✓ The security team achieved their goal of ensuring a safe transit and enabling the M/V JIA YUE to achieve their operational objectives and maintain in a secure manner in the HRA and international waters.
- ✓ My self and the team wish the entire crew of M/V JIA YUE safe future transit and calm seas.
